College Selection Informer

Instructions

1. Go to the College Navigator (http://nces.ed.gov/collegenavigator)
2. Select your college choice and fill in the form
3. Select the top three best choices, based on the criteria above
4. Apply to the top three colleges of your choice

This form is designed to aid in making a sound decision about choosing a college. Ultimately, the college experience and academic success rest with the student and the actions that are performed as an incumbent college student.
